NATIONAL PROFESSIONAL AGRICULUTRAL STUDENT ORGANIZATION

Uniting Education & Industry in Support of Agriculture

WHAT IS PAS?

Beginning in 1980, PAS has been developing two and four-year college-level professional agriculture students for the workplace through participation in employment experience programs, skill-set development, network opportunities, and organizational activities.

It is one-of-a-kind national collegiate-level competition-style learning model gives students the practical and hands-on development opportunities essential for career success. Students compete at the local, state, and national levels and are guided by faculty advisors to develop the technical, professional and soft skills required for career success within the agriculture industry.

OUR MISSION

To provide individual growth, leadership and career preparation opportunities for professional agriculture students.

OUR VISION

To be the premier leadership and career development organization serving college agriculture students.
